“BOOKS ARE PROOF HUMANS CAN DO MAGIC”

**Title:** *The Giver of Stars*  
**Author:** Jojo Moyes  
**Date:** Thursday, March 13, 2025  
 @ 2 p.m.

Alice Wright marries handsome American Bennett Van Cleve, hoping to escape her stifling life in England. But small-town Kentucky quickly proves equally claustrophobic, especially living alongside her overbearing father-in-law. So when a call goes out for a team of women to deliver books as part of Eleanor Roosevelt's new traveling library, Alice signs on enthusiastically.

The leader, and soon Alice's greatest ally, is Margery, a smart-talking, self-sufficient woman who's never asked a man's permission for anything. They will be joined by three other singular women who become known as the Packhorse Librarians of Kentucky.

**Title:** *The Lying Game*  
**Author:** Ruth Ware  
**Date:** Thursday, April 10, 2025  
 @ 2 p.m.

The four girls were best friends at Salten, a second rate boarding school set near the cliffs of the English Channel. Each different in their own way, the four became inseparable and were notorious for playing the Lying Game, telling lies at every turn to both fellow boarders and faculty, with varying states of serious and flippant nature that were disturbing enough to ensure that everyone steered clear of them. The myriad and complicated rules of the game are strict: no lying to each other—ever. Bail on the lie when it becomes clear it is about to be found out. But their little game had consequences, and the girls were all expelled in their final year of school under mysterious circumstances surrounding the death of the school's eccentric art teacher, Ambrose (who also happens to be Kate's father).
