"It's perfection, every word, every moment. A masterpiece . . . One of the best books I've ever read." —Lisa Jewell, #1 *New York Times* bestselling author

New York Times bestselling author Gillian McAllister has created a thriller unlike any other in this endlessly clever, twisty story of a mother who must move backward through time to prevent tragedy from striking at the heart of her family.

Can you stop a murder after it's already happened?

It is midnight on the morning of Halloween, and Jen anxiously waits up for her 18-year-old son, Todd, to return home. But worries about his broken curfew transform into something much more dangerous when Todd finally emerges from the darkness. As Jen watches through the window, she sees her funny, seemingly happy teenage son stab a total stranger.

She doesn't know who the victim is, or why Todd has committed such a devastating act of violence. All she knows is that her life, and Todd's, have been shattered.
