True Crime Book Club

@ 4 p.m.

In the fall of 2010, in the all-American town of Apple Valley, Ohio, four people disappeared without a trace: Stephanie Sprang; her friend, Tina Maynard; and Tina's two children, thirteen-year-old Sarah and eleven-year-old Kody. Investigators began scouring the area, yet despite an extensive search, no signs of the missing people were discovered.

On the fourth day of the search, evidence trickled in about neighborhood "weirdo" Matthew Hoffman. A police SWAT team raided his home and found an extremely disturbing sight: every square inch of the place was filled with leaves and a terrified Sarah Maynard was bound up in the middle of it like some sort of perverted autumn tableau. But there was no trace of the others.

Then came Hoffman's confession to an unspeakable crime that went beyond murder and defied all reason. His tale of evil would make Sarah's survival and rescue

Title: The Sanatorium

Author: Sarah Pearse

Date: Thursday, Mar 14, 2024 @ 2 p.m.

Half-hidden by forest and overshadowed by threatening peaks, Le Sommet has always been a sinister place. Long plagued by troubling rumors, the former abandoned sanatorium has since been renovated into a five-star minimalist hotel.

An imposing, isolated getaway spot high up in the Swiss Alps is the last place Elin Warner wants to be. But Elin's taken time off from her job as a detective, so when her estranged brother, Isaac, and his fiancée, Laure, invite her to celebrate their engagement at the hotel, Elin really has no reason not to accept.

Arriving in the midst of a threatening storm, Elin immediately feels on edge--there's something about the hotel that makes her nervous. And when they wake the following morning to discover Laure is missing, Elin must trust her instincts if they hope to find her. With the storm closing off all access to the hotel, the longer Laure stays missing, the more the remaining guests start to panic.

Elin is under pressure to find Laure, but no one has realized yet that another woman has gone missing. And she's the only one who could have warned them just how much danger they are all in. . .
