Let's Discuss Book Club

"ALL CREATURES GREAT AND SMALL"

BY: JAMES HERRIOT

THURSDAY, JULY 14, 2022

@2-3PM

Delve into the magical, unforgettable world of James Herriot, the world's most beloved veterinarian, and his menagerie of heartwarming, funny, and tragic animal patients.

For over forty years, generations of readers have thrilled to Herriot's marvelous tales, deep love of life, and extraordinary storytelling abilities. For decades, Herriot roamed the remote, beautiful Yorkshire Dales, treating every patient that came his way from smallest to largest, and observing animals and humans alike with his keen, loving eye.

In All Creatures Great and Small, we meet the young Herriot as he takes up his calling and discovers that the realities of veterinary practice in rural Yorkshire are very different from the sterile setting of veterinary school. From seeing to his patients in the depths of winter on the remotest homesteads to dealing with uncooperative owners and critically ill animals, Herriot discovers the wondrous variety and never-ending challenges of veterinary practice as his humor, compassion, and love of the animal world shine forth.
